# Truck-Lite by Rigid 84780 Volvo VN Series LED Fog Light Kit

- Designed as a direct replacement for 2013-2017 Volvo VN fog lights.
- Waterproof H11 to Deutsch adapter plugs directly into factory harness.
- SAE J583 compliant fog lights project high-intensity, crisp light.
- Pure white light output is closer to the color temperature of day-light, dramatically improving overall visibility.
- Built as a low-profile, solid-state design.

2013-2017

## QWIKTIE™ Tie Rod Assembly

Every purchase of a Stemco QuikTie Rod Assembly during March and April qualifies for a

**\$25 Gift card for the LCB0**

A Higher Standard of Performance.™ **\*\* (while supplies last, limit one per customer)**

### VERSATILE. EFFICIENT. SAFE.

The QWIKTIE tie rod assembly offers a highly adaptable solution that can accommodate a wide range of tie rod lengths. Increased clamping and tube strength allows it to hold alignment, reducing stress on other suspension components.

### QWIKTIE TIE ROD ASSEMBLY

QWIKTIE PART NUMBER	TIE ROD END INDUSTRY STD. REFERENCE NUMBER	AXLE CODE	KING PIN
QT967SS	ES3219L, ES3220R	FF-961, FF-966	K961L
	ES423L, ES423R	FF-981, FF-986	K981R
	ES9001L, ES9001R	02-ADD	K120I
QT108SB	ES431L, ES431R	FL-931, FL-941	KH931L
	ES9328L, ES9329R	E1462/W	K147E
	ES431L, ES431R	EFA18F3, EFA20F4	K180E

Increased range adjusts to fit over 80% of tie rod assembly lengths in the market (57 3/8" to 73 7/8").

This table captures example cross references to a QWIKTIE tie rod assembly. For any given axle or tie rod end, there can be many possible combinations of cross-tube lengths. For example, there could be as many as 40 different assemblies using the ES423L tie rod end. For a complete list of cross-tube lengths, visit [STEMCO.com](http://STEMCO.com).
